Qualification Highlights

- 23 years experience providing technical leadership to gas/electric field engineering employees and supporting gas/electric operating department's day-to-day and emergency work requirements
- Direct Supervision of over 40 union and non-union employees during career who have worked with zero OSHA recordable injuries. I have also worked accident free for 23 years
- Results focused with emphasis on Safety, Reliability, Diversity, Efficiency, Teamwork, & Customer Service

Professional Experience

Electric Distribution 4kv to 69 kv -engineering design and technical support of operations

- Member of a team responsible for Electric Reliability in the Mt. Vernon Area. The area consistently performs in the top quartile of the company in the area of SAIFI & CAIDI. At the end of the 3rd Qtr 2004 Mt. Vernon was the only area meeting both the SAIFI & CAIDI goals.
- Currently supervising 6 Field Engineering Representatives who, with the help of the DDC, prepare work requests to meet internal and external customer needs. Responsible for their training, performance, and development. Approximately 46,000 man-hours produced annually.

Work History

Ameren Illinois Utilities- Supervisor Distribution Design- Division VI 2008- present
Ameren- Career Engineer AmerenIP, Mt. Vernon & Sparta, Illinois 2004- 2008
Dynegy- Illinois Power & AmerenIP, Mt. Vernon & Sparta, Illinois 2003 - 2004
Regional Engineering Supervisor
Dynegy- Illinois Power, Mt. Vernon , Illinois 2001 - 2003
Regional Engineering Supervisor
Illinova -Illinois Power, Mt. Vernon, Illinois 1997 - 2001
Area Engineering Supervisor
Illinois Power, Hillsboro & Sparta & Mt. Vernon, Illinois 1995 - 1997
Senior Engineer
Illinois Power, Danville, Illinois 1992 - 1995
Area Engineering Supervisor
Illinois Power, Champaign, Illinois 1989 - 1992
Engineer- Service Area
Illinois Power, Sparta, Illinois 1988 - 1989
Engineer-Service Area
Illinois Power, Sparta, Illinois 1985 - 1988
Engineer

Education

Rose Hulman Institute of Technology, Terre Haute, Indiana
B.S. degree in Electrical Engineering, 1985, GPA 2.70

Lindenwood University, St. Charles, Missouri
Masters of Business Administration MBA, 2007, GPA 4.0

Iowa State University, Ames , Iowa
GPA: 2.87

Coursework completed towards a Masters Degree and Power Engineering Certificate

Fall 2003 EE 653 Advanced Electric Power System Dynamics

Spring 1995 EE 554 Power System Dynamics

Spring 1994 EE 555 Analysis of Distribution Systems

Fall 1989 EE 552 Symmetrical Component Analysis of Electrical Power Systems

EXHIBIT

A

Technical/Organizational Expertise

- Project Management
- Supervisory Skills
- Teamwork
- Customer Management
- Oral Presentation Skills
- Technical Communications (using PowerPoint)
- Provided bi-monthly 24/7 Emergency Callout Response during past 19 years for electric and gas distribution emergencies in the areas that I was assigned.

Professional Affiliations
